### INTEROIL TO PRESENT AT 13TH ASIA UPSTREAM 2008 CONFERENCE IN SINGAPORE

**TORONTO – February 27, 2008 -- InterOil Corporation (TSX:IOL) (AMEX:IOC) (POMSoX:IOC)** today announced that Mr. Gerry Gilbert, General Manager Exploration and Production of InterOil, will be presenting at the 13<sup>th</sup> Asia Upstream 2008 Conference in Singapore on Friday, February 29, 2008.

Presentation slides at the conference will be posted on InterOil's website: [www.interoil.com](http://www.interoil.com) on Friday, February 29, prior to commencement.

#### COMPANY DESCRIPTION

InterOil Corporation is developing a vertically integrated energy business whose primary focus is Papua New Guinea and the surrounding region. InterOil's assets consist of petroleum licenses covering about 9 million acres, an oil refinery, and retail and commercial distribution facilities, all located in Papua New Guinea. During 2006, the company announced a gas and condensate discovery, completed an optimization program at the refinery, and doubled the downstream business by acquiring Shell's distribution assets in Papua New Guinea. In addition, InterOil is a shareholder in PNG LNG Inc., a Joint Venture with Merrill Lynch Commodities and Pacific LNG established to construct Papua New Guinea's first LNG plant on a site adjacent to InterOil's refinery in Port Moresby.

*InterOil's common shares trade on the Toronto Stock Exchange under the symbol IOL in Canadian dollar and on the American Stock Exchange under the symbol IOC in US dollars. For more information please see the InterOil website at: [www.interoil.com](http://www.interoil.com).*
